

Applicants expressly reserve their right under 35 U.S.C. § 121 to file a divisional application directed to the nonelected subject matter during the pendency of this application, or an application claiming priority from this application.

PRELIMINARY AMENDMENT

Prior to Examination on the merits, please enter the following amendments:

IN THE CLAIMS:

Please amend the claims as follows:

29. (amended) A composition comprising granular particles of a biomass which
particles

(a) are obtained by granulating the biomass; and

(b) [the particles having] have an average dry matter content of at least 30% but less
than 70% [and having been obtained by granulating biomass].

30. (amended) A composition which comprises dried granules [, the granules
being] derived from a microbial biomass which have been [and] dried[,] and [having] have an
average dry matter content of at least 80%.

31. (amended) A composition according to claim 29 or 30 [or 31] wherein the
granular particles or dried granules are extruded [formed by extrusion].

32. (amended) ~~A composition according to any one of claims 29 or 30 [to 31]
wherein the biomass comprises [a fungus] fungi.~~

33. (amended) ~~A composition according to any one of claims 29 or 30 [to 32]
wherein the granular particles or granules have a diameter of from 0.3 to 10 mm and [their] a
length that is, on average, 2 to 6 times [that of] the diameter [of the granule].~~

Please add the following new claims:

-- 37. A composition according to claim 31 wherein the biomass comprises fungi.

38. A composition according to claim 31 wherein the granular particles or granules
have a diameter of from 0.3 to 10 mm and a length that is, on average, 2 to 6 times the diameter.
